

**REQUEST FOR QUALIFICATIONS
GENERAL CONTRACTING SERVICES**

Customs and Border Protection Project

PROJECT FY17-805-31

**MANCHESTER-BOSTON REGIONAL AIRPORT
MANCHESTER, NH**

Manchester-Boston Regional Airport is soliciting Qualifications for General Contracting services related to the construction of a new Customs and Border Protection facility within the existing general aviation terminal.

Scope of Work:

Contractor shall provide all labor, materials, equipment, services and other items necessary to complete all demolition work and new construction of a Customs and Border Protection Facility at MHT. The address of the project is: 1 Garside Way Manchester, New Hampshire 03103.

The construction area consists of approximately 1,600 square feet on the 1st floor and 800 square feet on the third floor of the existing general aviation terminal.

Work will include but is not limited to the following:

- Demolition of selected areas on the 1st and 3rd floors
- Installation of new walls, doors, storefront glass, interior finishes, cabinets, shelving, mechanical, electrical, plumbing and fire protection systems
- Installation of Owner provided items to include furniture and equipment.

Timeline:

- General Contractor Pre-Qualification Packages due – January 13, 2017
- Issue Bid Documents to Prequalified Contractors – February 1, 2017
- Receive Bids – February 17, 2017
- Award Contract – March 1, 2017
- Anticipated Construction Start – March 13, 2017
- Construction Completion – May 31, 2017

RFQ packages are available on the Airport's website; www.flymanchester.com. Three (3) copies along with a pdf file of completed packages are due at Manchester-Boston Regional Airport Engineering & Planning Office, 6 Industrial Drive, Londonderry, NH 03053, no later than **12:00 P.M., Friday, January 13, 2017**.
